Oh thou who givest sustenance to the universe
>From whom all things proceed
To whom all things return
Unveil to us the face of the true spiritual sun
Hidden by a disc of golden light
That we may know the truth
And do our whole duty
As we journey to thy sacred feet

Well I said
"Lily, oh Lily I don't feel safe
I feel that life has blown a great big hole through me"
AND she said
"Child you must protect yourself
I'll show you how with fire"

CHORUS
Gabriel before me
Raphael behind me
Michael to my right
Uriel on my left side
In the circle of fire

I said
"Lily, oh Lily I'm so afraid
I fear I am walking in the Veil of Darkness"
And she said
"Child take what I say
With a pinch of salt
And protect yourself with fire"

CHORUS
