Some moments that I've had  
Some moments of pleasure

I think about us lying  
Lying on a beach somewhere  
I think about us diving  
Diving off a rock into another moment

The case of George the Wipe  
Oh God I can't stop laughing  
The sense of humour of mine  
It isn't funny at all  
Oh but we sit up all night  
Talking about it

CHORUS  
Just being alive  
It can really hurt  
And these moments given  
Are a gift from time

On a balcony in New York  
It's just started to snow  
He meets us at the lift  
Like Douglas Fairbanks  
Waving his walking stick  
But he isn't well at all  
The buildings of New York  
Look just like mountains through the snow

CHORUS

Just let us try  
To give these moments back  
To those we love  
To those who will survive

And I can hear my mother saying  
"Every old sock meets an old shoe"  
Isn't that a great saying?  
"Every old sock meets an old shoe"

Here comes the Hills of Time

Hey there Maureen  
Hey there Bubba  
Dancing down the aisle of a plane  
'S Murph playing his guitar refrain  
Hey there Teddy  
Spinning in the chair at Abbey Road  
Hey there Michael  
Do you really love me  
Hey there Bill  
Cold you turn the lights up?
