Oh England My Lionheart,  
I'm in your garden fading fast in your arms  
The soldiers soften, the war is over  
The air-raid shelters are blooming clover,  
Flapping umbrellas fill the lanes  
My London Bridge in rain again  
Oh England My Lionheart  
Peter Pan steals the kids in Kensington Park  
You read me Shakespeare on the Rolling Thames,  
That old River Post that never, ever ends  
Our Thumping hearts hold the Ravens in,  
And keep the tower from tumbling

Chorus:

Oh England My Lionheart  
I don't want to go

Oh England My Lionheart  
Dropped from my Black Spitfire to my funeral barge,  
Give me one kiss in the appleblossom,  
Give me one wish and I'd be wassailing  
In the orchard my English Rose,  
Or with my shepherd who'll bring me home

Chorus:
