It doesn't hurt me
Do you want to feel how it feels
Do you want to know, know that it doesn't hurt me
Do you want to hear 'bout the deal that I'm making
You, you and me,

CHORUS

And if I only could
I'd make a deal with God
And I'd get him to swap our places
Be running up that road
Be running up that hill
Be running up that building
If I only could oh...

You don't want to hurt me
But see how deep the bullet lies
Unaware I'm tearing you asunder
Ooh there is thunder in our hearts
Is there so much hate for the ones we love
'Tell me we both matter don't we
You
You and me
You and me won't be unhappy

And if I only could
I'd make a deal with god
And I'd get him to swap our places
Be running up that road
Be running up that hill
Be running up that building
If I only could oh...

You
You and me
You and me won't be unhappy
C'mon baby c'mon darlin'
Let me steal this moment from you now
Cone on angel, c'mon, c'mon darling

Let's exchange the experience oh,

And if I only could
I'd make a deal with God
And I'd get him to swap our places
Be running up that road
Be running up that hill
With no problems.

And if I only could
I'd make a deal with God
And I'd get him to swap our places
Be running up that road
Be running up that hill
With no problems.

And if I only could
I'd make a deal with God
And I'd get him to swap our places
Be running up that road
Be running up that hill
With no problems.

And if I only could
Be running up that hill
With no problems.
