"The Kick Inside"

Visit "[The Kick Inside](#)" on MotoLyrics.com

I've pulled down my lace and the chintz
Oh, do you know you have the face of a genius
I'll send your love to Zeus
Oh, by the time you read this, I'll be well in touch

(Chorus)

I'm giving it all in a moment or two
I'm giving it all in a moment for you
I'm giving it all, giving it, giving it-giving it
This kicking here inside makes me leave you behind
No more under the quilt to keep you warm
Your sister I was born-you must lose me
Like an arrow shot in the killer storm

You and me on the bobbing knee
Didn't we cry at that old mythology he'd read
I will come home again, but not until
The sun and moon meet on yon hill

(Chorus)
