I hear him before I go to sleep
And focus on the day that's been
I realise he's there when I turn the light off
And turn over
Nobody knows about my man
They think he's lost on some horizon
And suddenly I find myself
Listening to a man I've never known before
Telling me about the sea
All his love, 'till eternity
(Chorus)
Ooh, he's here again-
The man with the child in his eyes
He's very understanding
And he's so aware of all my situations
And when I stay up late
He's always waiting
But I feel him hesitate
Oh, I'm so worried about my love
They say "No, no, it won't last forever"
And here I am again my girl
Wondering what on earth I'm doing here
Maybe he doesn't love me
I just took a trip on my love for him
(Chorus)
