You can't hear me  
You can't hear me  
You can't hear what I'm saying  
You can't hear what I'm saying to you.

You watch the clock  
Move the slow hand  
I should have been home  
Hours ago - but I'm not here,  
but I'm not here,  
You can't hear me  
You can't hear me  
You can't feel me  
Here in the room with you now,  
You can't hear what I am saying,  
You don't hear what I am saying do you.

Can't let you know  
What's been happening  
There's a ghost in our home  
Just watching you without me  
I'm not here, but I'm not here, but I'm not here.  
You can't hear me, you can't hear what I'm saying  
You didn't hear me come in  
You won't hear me leaving.
