Baby, show me what you feel

Come to me, show me somethin' real

I need to know, I need you completely

Closer baby closer, come on let's begin

Love is takin' over, gotta let it in

Ooh I need to feel the heart of you

Need to reach the very deepest part of you

chorus:

Can I touch you there,

touch you deep inside

Can I touch your heart,

the way you'rre touchin' mine

Can I touch you there,

touch you deep within

Can I touch you there,

can I touch you...there

Baby tell me with your eyes

Tell me every secret darlin'

Every deep desire, till you and I

Are makin' love completely

Closer baby closer, can't be close enough

I can't help the way I hold you

I just hunger for your love

Ooh and I need to feel the heart of you

Need to reach the very deepest part of you

Chorus

Bridge:

All I wanna do is touch ya baby

Touch the very soul inside of you

Ooh and I need to feel the heart of you

Need to reach the very deepest part of you

Let me be the one to show you

just what love can do

Chorus
