Completely wanna give my love completely

I'd rather be alone than be in love just half the way

I want to find someone that I can trust completely

Wanna give my heart completely

To someone who'll completely give their heart to only
me

And when I find that one

That's when I'll fall in love

CHORUS

Completely

Not half but whole

With heart and soul

Completely not in between

But everything

Completely

That's the way it's got to be

The way I want someone to fall in love with me

Forever, wanna feel the word, forever

And know there'll be somebody there forever by my
side

And when that feeling comes

That's when I'll give my love

CHORUS

It's all or nothing at all for this heart of mine

And I won't give up this heart until the day I find

Someone who can be

Someone who loves ME

CHORUS
