Michael)

You always said I'd never know how much I loved you

Until it was too late to make you stay

I know it looked as though I took our love for granted

That doesn't mean I wasn't feeling all the things

I meant to say

(Suzie)

And who was I always asking so much of you

To make you prove your love time after time

Until I found myself living my life without you

How could I have been so foolish, how could

I be so blind

CHORUS

(Michael&Suzie;)

From now on I'm gonna love you like there's no
tomorrow

I don't want to wait until our time has come and gone

I'm gonna hold you now more than ever

I'm gonna love you, I'm gonna love you, from now on

We both know it's true, when we're open to each other

There's a love we'll never find with someone else

And if we give it half a chance we'll be starting over
So let me make your heart believe what I've been
promising myself

CHORUS

BRIDGE

Baby, there'll be no distance between us
Oh, this time I know we're gonna make it
together where we belong

CHORUS
