"Go The Distance"

I have often dreamed, of a far off place,
Where a hero's welcome, would be waiting for me,
Where the crowds will cheer, when they see my face,
And a voice keeps saying, "this is where I'm meant to be."

I'll be there someday, I can go the distance
I will find my way, if I can be strong,
I'll know every mile, will be worth my while,
When I go the distance I'll be right where I belong.

Coming Down the road, to embrace my fate
all that road may wander, it will lead me to Him,
And a thousand years, would be worth the wait
It might take a lifetime, but somehow I'll see it through.

And I won't look back, I can go the distance
And I'll stay on track, no, I won't accept defeat
It's an uphill slope, but I won't lose hope
Till I go the distance, and my journey is complete
But to look beyond the glory is the hardest part
For a hero's strength is measured by his heart
Like a shooting star, I will go the distance
I will search the world, I will face its harms

I don't care how far, I can go the distance

Till I find my hero's welcome, waiting in your arms

I will search the world, I will face its harms,

Till I find my hero's welcome, waiting in your arms
