I could hardly believe it

When I heard the news today

I had to come and get it straight from you

They said you were leavin'

Someone's swept your heart away

From the look upon your face, I see it's true

So tell me all about it, tell me 'bout the

plans you're makin'

Then tell me one thing more before I go

CHORUS:

Tell me how am I suppose to live without you

Now that I've been lovin' you so long

How am I suppose to live without you

How am I suppose to carry on

When all that I've been livin' for is gone

I didn't come here for cryin'

Didn't come here to break down

It's just a dream of mine is coming to an end

And how can I blame you

When I build my world around

The hope that one day we'd be so much

more than friends

And I don't wanna know the price I'm

gonna pay for dreaming

When even now it's more than I can take

CHORUS:

(bridge)

And I don't wanna face the price I'm

gonna pay for dreaming

Now that your dream has come true
