How can we be lovers if we can't be friends

How can we start over when the fighting never ends,
baby

how can we make love if we cant make amends

How can we be lovers if we can't be, can't be friends

Look at us now, look at us baby

still trying to work it out, never get it right

We must be fools, we must be crazy

ohhh.. when theres no comunication

ohhh... it's a no win situation

How can we be lovers if we can't be friends

How can we start over when the fighting never ends,
baby

how can we make love if we cant make amends

How can we be lovers if we can't be, can't be friends

We lie awake, this wall between us

we're just not talking, we've got so much to say

Let's break this chains, our love can free us

ohhh... ain't it time we started trying

ohhh... gotta stop this love from dying

How can we be lovers if we can't be friends

How can we start over when the fighting never ends,

baby

how can we make love if we cant make amends

How can we be lovers if we can't be, can't be friends

Baby (baby) love is tough but we can take it

baby (how can we be lovers)

baby (baby) times are rough but we can make it

we can work it out

How can we be lovers if we can't be friends

How can we start over when the fighting never ends,
baby

how can we make love if we cant make amends

How can we be lovers if we can't be, can't be friends
