Sometimes in our lives, we all have pain

We all have sorrow

But, if we are wise

We know that there's always tomorrow

CHORUS

Lean on me, when you're not strong

And I'll be your friend I'll help you carry on

For it won't be long, till I'm gonna need

Someone to lean on

You can call on me brother when you need a hand

We all need somebody to lean on

I just might have a problem, that you'll understand

We all need somebody to lean on

Please swallow your pride, if I have things

You need to borrow

For no one can fill, those of your needs

That you won't let show

CHORUS

If there is a load, you have to bear

That you can't carry

I'm right up the road, I'll share your load

If you just call me...call me

If you need a friend....call me

If you need a friend....If you ever need a friend

Call me....Call me
