Birds fly, they don't think twice
They simply spread their wings
The sun shines, it don't ask why
Or what the whole thing means
The same applies to you and I
We never question that
So good, it's just understood
Ain't no conjecture
Just a matter of fact

CHORUS

Love is a wonderful thing
Make ya smile through the pouring rain
Love is a wonderful thing
I'll say it again and again
Turn your world into one sweet dream
Take your heart and make it sing
Love, love is a wonderful thing
The only thing a river knows
Is runnin' to the sea
And every spring when a flower grows
It happens naturally

The same magic when you're in my arms

No logic can define

Don't know why, just feels so right

I only know it happens every time

CHORUS

Oh when the cold wind blows

I know you're gonna be there to warm me

That's what keeps me goin'

And our sweet love will keep on growin'

CHORUS

Love is a wonderful, wonderful thing

Love is a wonderful, wonderful thing

It's what makes honey taste sweet

It's what makes your life complete
