I talk to you but it's not the same as touchin' you

And every time you whisper my name, I wanna run to you

Well be together, it won't be long, it won't be long

But it feels like forever, and it's hard to be strong

Chorus:

Baby 'cause I'm missing you now

And it's drivin' me crazy

How I'm needin' you baby

I'm missing you now

Can't wait 'till I'm alone with you

To show you how I'm missing you now

Wishin' you were here by my side is all that I can do

Got my arms around my pillow at night, they should be holdin' you

Thought I was stronger, how could I know, how could I know

I can't take this much longer

It's so hard on my soul

Chorus

Baby I just can't wait

Till I see your face

Chase away this loneliness inside

When you're close to my heart

Right here in my arms

Then and only then

Will I be satisfied

I'm missing you now

We'll be together, it won't be long, it won't be long

But it feels like forever, and it's hard to be strong

Chorus
