SAID I LOVE YOU..BUT I LIED by M. Bolton

You are the candle, love's the flame

A fire that burns through wind and rain

Shine your light on this heart of mine

Til the end of time

You came to me like the dawn through the night

Just shinin' like the sun

Out of my dreams and into my life

You are the one, you are the one

Chorus:

Said I loved you but I lied

Cause this is more than love I feel inside

Said I loved you but I was wrong

Cause loved could never ever feel so strong

Said I loved you but I lied

With all my soul I've tried in vain

How can mere words my heart explain

This taste of heaven so deep so true

I've found in you

So many reasons in so many ways

My life has just begun

Need you forever, I need you to stay

You are the one, you are the one

Chorus

You came to me like the dawn through the night

Just shinin' like the sun

Out of my dreams and into my life

You are the one, you are the one

Chorus

Said I loved you

But this is more than love I feel inside

Said I loved you...But I lied
