"You are the candle love's the flame
A fire that burns through the wind and rain
Shine your lights on this heart of mine
Till the end of time
You came to me like the dawn through the night
Just shining like the sun
Out of my dreams and in to my life
You are the one you are the one.
Said I loved you But I lied
Cause this is more than love I feel inside
Said I loved you but I was wrong
Cause love can never ever feel so strong.
Said I loved you but I lied.
With all my soul I've tried in vain
How can mere words my heart explain
This tastes of heaven so deep so true
That I've found in you
So many reasons in so many ways
My life has just begun
Need you forever that I need you to stay
You are the one you are the one

Said I loved you but I lied
Cause this is more than love I feel inside
Said I loved you but I was wrong
Cause love can never ever feel so strong.
Said I loved you but I lied
You came to me like the dawn through the night
Just shining like the sun
Out of my dreams and into my life
You are the one you are the one
Said I loved you but I lied
Cause this is more than love I feel inside
Said I loved you but I was wrong
Cause love can never ever feel so strong
Said I loved you, cause this is more than love I feel
inside
Said I loved you But I lied.
