I see you finally found a set of rules
That came inside her game, boy
You were so young and very proud
It's hard believin' you're the same, boy
Did she take you so deep into the night
And promise you a piece of her heart
Make it feel so good, feel so right
Then turn around, and tear you apart

CHORUS:

I know, she did the same thing
I know, she did the same thing
I know, she did the same thing to me, oh yeah
She plays upon your dreams and fantasies
As if she's come to stay there
But in your life, you never dreamed
You'd find the one who'd know the way there
She'll take you so deep into the night
And promise you'll be satisfied
Like a fool you believe all her lies
Words you'll remember till the end of your life

CHORUS: (TIMES 2)

The same thing to me, she did the same thing to me

The same thing to me, I know, I know, I know, I know

The same thing to me
