I got something to tell you
There ain't no doubt in my mind
All I'm asking is to keep you near forever
Just till the end of time
Baby, I know, where love grows
And my heart is overflowing
You're so fine and so true
I wanna spend my time
Spend my time with you, baby
I-I've got the best of love, oh, yeah
With every breath and every beat of my heart
You know you've got me by my deepest emotion
'Cause you keep giving me the best of love
Passion is sweet inspiration
So rare and so hard to find
You're my journey and my destination
Queen of this heart of mine
Baby, I know, where love grows
And my life is overflowing
You're so fine and so true
I know I got it all

It's all because of you, baby

(repeat 1)

And every moment that passes by

This love goes on

And it keeps growin stronger

And the more we're together

The best keeps getting better

(rpt 1, 1)
