gotta get close to me
gotta let love inside
gotta get into my arms
and listen to the voice of my heart
searching my soul
searching for something
to find a way
to make you beleive
yeaaaah
and what can I say
words don't mean nothing
aaaah what can I do
to prove what I'm feeling for you
oh I could promise love
eternally
show you mean the world to me
turn you over and over
get down on my knees
but how do I make you beleive
gotta get close to me
gotta let love inside

gotta get into my arms
and listen to the voice of my heart
baby the only way you'll know
the sun inside my soul
gotta get close to me
and listen to the voice of my heart
look into my eyes
burn up behind you
let me take you on heaven's wing
right here in my arms
I promise this time
real love will find you
oooooh what would I do
to just make this one dream come true
oh I would take your heart
into my hand
and shelter you
make you understand
turn you over and over
you're all that I need
but how do I make you believe
gotta get close to me
gotta let love inside
gotta get into my arms
and listen to the voice of my heart

baby the only way you'll know
the sun inside my soul
gotta get close to me
and listen to the voice of my heart
talkin' 'bout some deep emotion
you'll find it where you look in my eyes
looking for some real emotion
come near to my love
come here to my arms
come closer
come closer
it don't mean no thing
untill I can make you beleive
gotta get close to me
gotta let love inside
gotta get into my arms
and listen to the voice of my heart
gotta get close to me
gotta let love inside
gotta get into my arms
and listen to the voice of my heart
baby the only way you'll know
the sun inside my soul
gotta get close to me
and listen to the voice of my heart
listen to the voice of my heart

baby

listen to the voice of my heart

gotta get close to me

listen to the voice of my heart

gotta let love inside

listen to the voice of my heart

baby get close to me

listen to the voice of my heart

the voice of my heart

listen to the voice of my heart

voice of my heart

listen to the voice of my heart
