Here we are, just goin' through the motions one more
time

You look into my eyes, but you don't see me

Here I am, feelin' like a stranger in your arms

I touch you, I hold you, but lately I don't know you

Something is wrong but we go on from day-to-day

(And) we just pretend it all away

We act like nothing's changed

But in our hearts we know, it's not the same

Chorus:

'Cause we're not makin' love anymore

Baby, we're not makin' love like before

We may hold each other tight

Say that everything's alright

But we're not makin' love

Remember when, you couldn't wait to run into my arms

When the love inside my heart was all you needed

Remember when, you made me wish the night would
never end

The fire, the thunder, we lived to love each other

If ever two hearts were one, then it was yours and mine

But that was another place in time

Now all we have to show

Are memories of a dream we used to know

Chorus

When did we lose our way

We had it all

Don't know how it all just slipped away

But oh, can we get it back again

Is it too late

Can we try

Just one more time

'Cause darling.....

Chorus

We're not makin' love anymore
Baby we're not makin' love like before
Can we find a way to try
Find the magic one more time
'Cause we're not makin' love
