When the rain is fallin' and I'm overcome

With the doubts and demons of a love undone

No voice need tell me that you were the one

CHORUS

Oh I'll remember all my life

A love that set me free

Whatever comes of you and I

I will still believe

That once upon a time a dream came true

Whenever I remember loving you

Not a single moment, not a single kiss

Would I have traded, would I have missed

No other could ever move me like this

CHORUS

It's not that I don't feel the pain as deep as pain can be

But I will not be denied the light

Your love has brought to me

What you've given me will last forever

I refuse to lose the treasure

Of you inside my heart eternally

CHORUS

I'll always feel the love we once knew

As long as I remember loving you

Oh I'll remember loving you

Oh I'll remember all my life
