I wake up while you lie sleepin'

I take one look at you and wonder

Am I still dreamin'

Are you some kind of angel

Come down to save me

Or just some place my imagination's tryin' to take me

What have I done to deserve what I feel

You give me somethin' that's too good to be real

How does a treasure like you fall into my hands

I need to know just one thing

I still don't understand

CHORUS

Why do you love me

Why do you give so much

How do you heal the pain within me

Is it the power of your touch

Now that you've opened up the heavens

For this heart of mine to see

I've become the richest man that I could ever be

Baby why, baby why me

Why me, Why me

I ain't got a clue, maybe just a notion
Sometimes I'm helplessly adrift out in the ocean
I feel like a child with one sole intention
In search of an answer that defies all comprehension
I'm in too deep but that's what you're all about
Got no hope or desire of finding my way out
How does a treasure like you fall into my hands
I need to know that one thing
Can ya help me understand

CHORUS X2

Why do you love me
Why do you give so much
How do you heal the pain within me
Is it the power of your touch
Now that you've opened up the heavens
For this heart of mine to see
I've become the richest man that I could ever be
Baby why, baby why me
Could've been anyone in this world, why me
Every lesson that I've learned
You've come to me and shown me
What it means to be loved(X2)

CHORUS X2

Why me, why me, why me, why me
Help me understand just what you've done to me

'Cause I'm the richest man that I could ever be

Tell me why, tell me why, baby
