FALLEN HEROS
FALLEN HEROS

The idols of today - the one's you like to praise
The idols of today - FUCK THEM ALL

The symbols of today, glorify yourselves
Rock stars and athletes, low IQ and vacant heads
The world is at your feet, you feel so fucking high
With ego, drugs and money - a message to your kind

HEROS - HEROS
FALLEN HEROS

HEROS - HEROS
FALLEN HEROS

The stars of today - a disgrace to the world
The stars of today - FUCK THEM ALL

Hey leading man, are you getting lost?
The power and the glory is taking control
Is there any truth in the lines you engrave?
When your walls crumble down, I'll be dancing on your
grave

HEROS - HEROS
FALLEN HEROS

HEROS - HEROS
FUCK YOUR HEROS

See through your eyes the deception that you give
Money, silver and gold is what you seek
An icon to the masses, a disgrace to the world
Not humble or caring you're the junk of the earth

HEROS - HEROS
FALLEN HEROS

HEROS - HEROS

FUCK YOUR HEROS
