Look out! Look out!
here comes a man
Woody Guthrie, no one should forget

Why - do you think he stood for you and me?
Why - should no one forget about him?

IN IT FOR LIFE - HE DIDN'T CHANGE FOR NO ONE

HE STOOD FOR YOU
HE STOOD FOR ME
HE STOOD FOR US
IN IT FOR LIFE

He cared! He cared!
For the working class
Anti war songs, and embraced my kind

Why - do you think the poor loved him so much?
Why - the common man and all the immigrants?

IN IT FOR LIFE - HE DIDN'T CHANGE FOR NO ONE

HE STOOD FOR YOU
HE STOOD FOR ME
HE STOOD FOR US
IN IT FOR LIFE

This machine kills fucking fascists!

IN IT FOR LIFE - HE DIDN'T CHANGE FOR NO ONE

HE STOOD FOR YOU
HE STOOD FOR ME
HE STOOD FOR US
IN IT FOR LIFE
