"No Rules"

the fucking system tells you how you should really be
the fucking system tells you how you should really act

[chorus]
stay punk stay free
and this is our only scene
they won't change me
making rules in anarchy

[chorus 2 (x2)]
can't you understand we have different causes and
beliefs
can't you understand we are here for the same thing

now the scene will tell you how you fucking really
should be
now the scene will tell you how you really should act
spreading gossip creating conflict
a bunch of nuisance isn't for me
making rules making laws
no more fun in the scene

[chorus]
[chorus 2]

we don't want to fucking tell you
what you fucking really should do
we don't want to fucking tell you
how you fucking really should act
punk is think for yourself
not who is who or what is what
they destroy our movement
they destroy our scene

[chorus]
[chorus 2]

[repeat verse 1]

they destroy our movement
they destroy our scene

they destroy all we have
they destroy all of it

[chorus]
[chorus 2]
