NYC P.D. You can see them on the streets
All over New York City
Kick the punx all around

Police Brutality! - For you and me
Police Brutality! - They're on the streets
Police Brutality! - They're all around
Police Brutality! - For the punx

NYC P.D. You can see them on the streets
All around St. Mark's
They kick the punx, they knock us down

Police Brutality! - For you and me
Police Brutality! - They're on the streets
Police Brutality! - They're all around
Police Brutality! - For the punx

NYC P.D. I call them fucking pigs
You can see them on St. Mark's
Kicking the punx all around

Police Brutality! - For you and me
Police Brutality! - They're on the streets
Police Brutality! - They're all around
Police Brutality! - For the punx
