AHHHHHHHHHHHHH

into a scene, full of lies
met you there, you seemed alright

gave you a love, gave you a heart
all you gave me broken heart

Broken heart, I want it back
Broken heart, I got it back

oh my love, oh my dear
what i gave you was so dear
oh my love, oh my dear
what i gave you was so dear

loved you dear, just so, dear
loved you dear, oh so, dear

gave you a love, gave you a heart
all you gave me a broken heart
gave you a love, gave you a heart
all you gave me a broken heart

Broken heart, I want it back
Broken heart, I got it back

gave you a love, gave you a heart
all you gave me a broken heart
gave you a love, gave you a heart
all you gave me a broken heart

PUNK ROCK LOVE!!!!!!!!!!
