Out of School, I've got no work  
So my parents kicked me out of home  
My girlfriend yesterday  
Left me alone, Left me insane

Oh my god was I all wrong?  
Ugly bastard, You ugly bastard  
Was it all just my fault?  
Ugly bastard, you ugly bastard  
Is it me? What a shame  
Ugly bastards, You ugly bastards

So I say it once again  
Because I'm ugly, I'm in pain  
Always seem to be alone  
No one by my side for too long

Oh my god I'll prove you wrong  
Ugly Bastard, You ugly bastard  
No It was not my fault  
Ugly bastard, You ugly Bastard  
Can't you see you're the one to blame  
Ugly Bastards, We are fucking ugly

Now I say it once again  
All ud uglies go insane  
we have got nothing to lose  
Because we're punk, this is true  
So I say it one more time  
Ugly Bastard, you ugly bastard  
We are ugly Bastards now  
All we do is scream and shout  
Ugly bastard, you ugly bastard  
'Cause it sucks all around  
Ugly Bastards, we're Ugly bastards
