The fortunate ones
To be fast and free and young
I want to count myself among
The fortunate ones

We won't be denied
We know that time is on our side
We've got the passion and the pride
We won't be denied

* This generations
With fire in our eyes
Strong are the ties that bind us
We don't need no alibis

** Nothing's gonna stand in our way
Nothing's gonna stand in our way
Nothing's gonna stand in our way
Not tonight

We want it all
And tonight we got the call
We're running high but we won't fall
We want it all

We won't be denied
Like a breaker at high tide
We're gonna take this sweet joy ride
We won't be denied

Grew expectations
Moments in the sun

We've waited all our lives
And now we know our time has come

** Repeat

Nothing's gonna stand in our way

* Repeat

** Repeat
