Live in a town where you fight to survive

I've learned to stand on my own and to keep my  
dreams alive

Workin' hard every day when life stays the same, can  
bring a man down

But a feelin' drives me on, keeps my world turnin'  
'round

I won't be satisfied, there's a hurricane I was born to  
ride

Chorus:

That's takin' me straight to the top, I wanna run where  
the eagles fly

Never gonna stop till I find my place in the sky

Takin' it straight to the top

When you're reachin' for the glory, you will never die

Down on the line, they're gettin' the best of me

But I don't belong here, I'll follow my destiny

When I stand on that mountain with my head in the  
clouds, I know who I am

And I'll find that higher ground where I can walk like a  
man

If I don't try I'll never know, there's a hunger down  
inside my soul

(chorus)

I won't be satisfied, there's a hurricane I was born to

ride, yeah

(chorus)

(Solo)

I won't be satisfied, there's a hurricane I was born to  
ride, yeah

(chorus repeats out...)
