Ahah..I'm too sexy

Some people say the strangest things
to get their ass in television
The heat of the sun
the day become
even on fake
why is that

Your doing everything to show us who you are
show us what you are
show us your the star

And you say:
I'm too sexy for my jeans
I have to take them off
Before you put your hands on my ass

I'm too sexy for my jeans
I have to take them off
Before you put your hands on my ass

These people do the strangest things
to get to us and they often do
and we seem to want more and more
till we drop dead
Why is that?

Your doing everything to show us who you are
show us what you are
show us your the star

And you say:
I'm too sexy for my jeans
I have to take them off
Before you put your hands on my ass

I'm too sexy for my jeans
I have to take them off
Before you put your hands on my ass

I'm too sexy for my jeans
I have to take them off
Before you put your hands on my ass

I'm too sexy for my jeans
I have to take them off
Before you put your hands on my ass

I'm too sexy for my jeans aha
I'm too sexy, I'm sexy
I'm too sexy for my jeans I have to take them off

I'm too sexy for my jeans
I have to take them off
Before you put your hands on my ass

I'm too sexy for my jeans
I have to take them off
Before you put your hands on my ass

I'm too sexy for my jeans
I have to take them off
Before you put your hands on my ass

I'm too sexy for my jeans
I have to take them off
Before you put your hands on my ass

I'm too sexy for my jeans
I have to take them off
Before you put your hands on my ass

I'm too sexy for my jeans
I have to take them off
Before you put your hands on my ass

I'm too sexy for my jeans
I have to take them off
Before you put your hands on my ass

I'm too sexy for my jeans
I have to take them off
Before you put your hands on my ass
