Do you, do you, do you, do you, do you do it for love?
Do you, do you, do you, do you, do you do it for love?

Do you feel the same connection
Make it right some way some how
Does it come from your emotions
Open up the door a little wider now

Do you try to find the feeling
That should never go away
Can it really be so easy
Just to make the feeling stay

But when you hold me tight, oh, I know why you're
doing it
'Cause love can't be denied, when you prove it, do it for
love

Do you, do you, do you, do you, do you do it for love?
(Come on and prove it for love)
Do you, do you, do you, do you, do you do it for love?

When you promise it's the real thing
Promises that stay the same
Is it really love that you're feeling
Or just another pleasure you can't explain

Lift the lid from your emotions
Does it matter what they say
Will you follow your own footsteps
Baby let your heartbeat show you the way

But when you hold me tight, oh, I know why you're
doing it
'Cause love can't be denied, when you prove it, do it for
love

Do you, do you, do you, do you, do you do it for love?
Baby
Do you, do you, do you, do you, do you do it for love?

Do it for love

Come on and prove it for love

When you do me, when you hold me, when you fool me
When you do it, do it, do it, come on and do it

Do you, do you, do you, do you, do you do it for love?
Baby
Do you, do you, do you, do you, do you do it for love?

Do you, do you, do you, do you, do you do it for love?
Do you, do you, do you, do you, do you do it for love?
