For your eyes only can see me through the night.
For your eyes only I never need to hide.
You can see so much in me
So much in me that's new
I never felt until I looked at you.
For your eyes only
Only for you.
You'll see what no one else can see

Now I'm breaking free.
For your eyes only
Only for you.
The love I know you need in me

The fantasy you've freed in me

Only for you
Only for you.
For your eyes only
The nights are never cold.
You really know me
That's all I need to know.
Maybe I'm an open book
Because I know you're mine
But you won't need to read between the lines.

For your eyes only
Only for you.
You see what no one else can see

Now I'm breaking free.
For your eyes only
Only for you.
The passions that collide in me

The wild abandoned side of me.
Only for you
For your eyes only.
