Johnny was a hustler, drove a custom Continental
The girls called him daddy, down sugar, get down or
run along
Kate, good big Johnny was bein' that straight
So late, Kate had to pick up some money that should
have been paid

Johnny, Johnny, the woman works your nerves, boy
Your pride Johnny, your pride got disturbed, boy
Johnny, Johnny, the woman works your nerves, boy
Your pride Johnny, Johnny

Johnny don't like Ruthers, Kate got his mortar gun
Boys get the word out, find out where Kate's gone
having fun
Kate made the mistake of going to see Jerome
Johnny's boys broke down the door and shot 'em while
they were alone

Johnny, Johnny, the woman works your nerves, boy
Your pride Johnny, your pride got disturbed, boy
Johnny, Johnny, Johnny

(Solo)

Oh Kate made the mistake of going to see Jerome
Johnny's boys broke down the door and shot 'em while
they were alone

Johnny, Johnny, the woman works your nerves, boy
Your pride Johnny, your pride got disturbed, boy
(repeats out)
