Can't I cry a little bit, there's nobody to notice it
Can't I cry if I want to, no one cares
Why can't I pretend that you love me again
All I have has been taken from me
Now I'm cryin', I'm cryin' and tears will be comin'

Chorus:

Just one smile, the pain's forgiven, just one kiss, the
hurt's all gone
Just one smile to make my life worth livin'
A little dream, a bit of my own home

How I wish I could say all the things that I wanna say
If someday you could see what's in my heart
I don't ask for much, a look, a smile, a touch
Tryin' to forget, Lord knows I'm tryin'
But it's hard to forget when your whole world, your
whole world is dyin'

chorus

(Solo)

Why can't I pretend that you love me again
Tryin' to forget, Lord knows I'm tryin'
But it's hard to forget when your whole world, your
whole world is dyin'

chorus repeats out
