I don't wanna talk about it, do we have to bring it up
again

Let sleeping dogs lie, bring the subject to an end

Your sights are on history, leave it alone, let it be

Water under the bridge, let it flow out to the sea

I said I was sorry, I know that I made a mistake

Won't you please, again, give me a break

Won't you get beyond it, I'll be straight

I'll be good, watch and see, don't go bringin' it back to
me

I don't wanna talk about it, do you have to bring it up
again

Let sleeping dogs lie, bring the subject to an end

You got a little letter to grow that thought, but you don't
know what hurt you

Well the first time I'd done that you had to catch me in
the act

I said I was sorry, I know I made a big mistake

Won't you please, again, won't you give me a break

Won't you get beyond it, I promise I'll be straight

Don't be so suspicious, don't go looking for a but

Damned can we clear the air and get back to us

I'll be good, watch and see, don't keep bringin' it back
to me

(Solo)

I said I was sorry, I know that I made a mistake, oh

Again, I wish that you would give me a break

Can't you get beyond it, gimme a chance to be straight

Don't be so suspicious, show a little trust

Can we clear the air and get back to us

I'll be good, watch and see, don't keep bringin' it back
to me

(Look, it happened, I can't pretend it didn't, I saw it with
my own eyes)

Let sleeping dogs lie, let sleeping dogs lie

Let sleeping dogs lie
