If you take some love from me, I've got to have a
guarantee
That you will give some lovin' back, lovin' back, baby

Chorus:

I want a money back guarantee
I want is signed, sealed and sent from you to me
I want a money back guarantee, just send it out special
delivery

chorus

Boy meets girl and then, we fall in love once again
It can't be like my loves of past, this time it will be for
real
We've got to make it last

chorus

The party of the first part's me, in this here contract
we've both agreed
And if the party of the second don't deliver right
This document's null and void, I'll exercise my rights
Our lives are much too short to just let nature run it's
course
Help my Cupid every way we can
So baby sign right here, I know you'll understand

chorus repeats 2x

If you take some love from me, I've got to have a
guarantee
That you will give some lovin' back, lovin' back, baby
that's where it's at
(repeats 2x)

The party of the first part's me, in this here contract
we've both agreed
And if the party of the second don't deliver right
This document's null and void, I'll exercise my rights
Our lives are much too short to just let nature run it's
course

Help my Cupid every way we can
So baby sign right here, I know you'll understand

chorus repeats out

If you take some love from me, I've got to have a
guarantee
That you will give me some loving back, baby, love me
back
That's where it's at

Boy meets girl and then, we fall in love once again (to
fade)
