I wake up every morning
I stumble out of bed
Stretching and yawning
Another day ahead
It seems to last forever
And time goes slowly by
Till babe and me's together
Then it starts to fly

'Cause the moment that he's with me
Time can take a flight
The moment that he's with me
Everything's all right
Night time is the right time
We make love
Then it's his and my time
We take off

(chorus)
My baby takes the morning train
He works from nine till five and then
He takes another home again
To find me waiting for him
(repeat chorus)

He takes me to a movie
Or to a restaurant, to go
Slow dancing anything I want
Only when he's with me
I catch light
Only when he gives me
Makes me feel all right

(chorus)

All day I think of him
Dreamin' of him constantly
I'm crazy mad for him
And he's crazy mad for me
When he steps off that train
I'm makin' a fool, a fight
Work all day to earn his pay

So we can play all night

(chorus)

He's always on that morning train

He works so hard

To find me waiting for him
