My sugar walls
My sugar walls

Where I come from there's a place called Heaven
That's the place where all the good children go
The houses are of silver, the streets of gold
But there's more where you come from my sugar walls

My sugar walls
My sugar walls

Blood races to your private spots
Let me know there's a fire
You can't fight passion when passion is hot
Temperatures rise inside my sugar walls

Let me take you somewhere, you've never been
I could show you things you've never seen
Well, I could make you never wanna fall in love again
Come spend the night inside my sugar walls

Take advantage
It's alright

I feel so alive when I'm with you
Come and feel my presence
It's reigning tonight
Heaven on Earth inside my sugar walls

Let me take you somewhere, you've never been
Well, I could show you things you've never seen
Well, I could make you never wanna fall in love again
Come spend the night inside my sugar walls

I can tell you want me
It's impossible to hide
Your body's on fire
Admit it come inside

My sugar walls
My sugar walls
Come inside

My sugar walls
My sugar walls

My sugar walls
Come spend the night inside
My sugar walls

My sugar walls
My sugar walls
