This man's a child, this man is old  
Sometimes he's mild, sometimes he's bold  
This man, I love sometimes in spite  
Of wishing he'd stick to his guns or abandon the fight

But when he shines, oh when he shines  
Yes, when he shines, he shines so bright

Sometimes a tramp, sometimes a dude  
He changes colors just like a chameleon, can't find the mood  
He is a song that's not easy to write  
He's the moon in the morning and the sun out at night

But when he shines, when he shines  
Oh, when he shines, he shines so bright

This man's a gentleman, this man is strong  
This temperamental man plays me along

But when he shines, when he shines  
Oh, when he shines, he shines so bright

Yes, when he shines, when he shines  
Oh, when he shines, he shines so bright

But when he shines, oh, when he shines  
Yes, when he shines, he shines so bright
