It must have been cold there, in my shadow,
To never have sunlight on your face,
You've been content to let me shine,
You always walked a step behind.

So I was the one with all the glory,
While you were the one with all the strength'
Beautiful face without a name, for so long,
Beautiful smile behind the pain.

Did you ever know that you're my hero,
And everything I'd like to be,
I could fly higher than an eagle,
Cause you are the wind beneath my wings.

It might have appeared to go unnoticed,
But I've got it all here in my heart.

I want you to know I know the truth,
Course I know it,
I would be nothing without you.

Did you ever know that you're my hero,
Your everything everything I'd wish to be,
I could fly higher than an eagle,
Cause you are the wind beneath my wings.

Cause you are the wind beneath my wings,
Oh the wind beneath my wings,
You you you,
You are the wind beneath my wings

Fly fly fly away, You let me fly so high
Oh you you you
You are the wind beneath my wings,
Oh you you
You the wind beneath my wings.

Fly fly, fly higher than the sky,
So high that almost touch the sky,
Thank you Thank you,
Thank God for you the wind beneath my wings
