Free f f f f f Freestyler,

Straight from the top of my tongue

Free f f f f f Freestyler,

Rock the microphone

I got da control on and go on

You know I gots the flow on

Select us at the radio players

??? from ozone,

But thats not us so hold on

Tight as I rock the mike,

Right or excuse me part

Don't have to synchronize

With the analyser

Call me wives posession

Let there be a lesson

Presure you carry protection,

Now with your heart go on

Like celine dion,

Cama comilion

Chorus:

Yeah Straight from the Top of my Tongue

As I Rock, Rock, Rock, Rock, Rock Da Microphone

Yeah Straight from the top of my Tongue

As I Rock, Rock, Rock, Rock, Rock Da Microphone

Yeah Straight from the Top of my Tongue

As I Rock, Rock, Rock, Rock, Rock Da Microphone

Yeah Straight from the top of my Tongue

As I Rock, Rock, Rock, Rock, Rock Da Microphone

Bring many kilos

So you can make yours

From the very ohs

Ambitions, nutritions,

Delicions, dilverience

Defichious, distillas

Deliver anything from rockafellas

To poor fellas

Suckas gettin jealous

Try to open marshmallows

You know they can handle us

Like every cussed dollars

Yeah we go scandalous

To put tha buck of sellaship

Back in the fellas

(Chorus)
