Ni wengi wanasema kuwa mimi niko down,

Nawapa kitu kali kumlika sean paul,

Utanicheki kwa TV ukiwa tu hapo home,

Relax utulie na ufungue diro,

Joto ikizidi basi, toa tisho

Mi huenda ma lap nikichapa tu ma show,

Usanii iko kwa blood si kitu ya kujidoo,

Ukisikia hiyo beat utajuta kunidiss

Nikishika MIC mi nakupa kitu real coz

Leo niko up all the way from down yeah

Chorus

Leo niko upside, leo niko upside

Nimechoka na underground

Nipe nafasi, nipe nafasi

Usiwe na wasi au kasi x2

VERSE 2

Am the best in Kenya, superior than the rest

All the way from west, calling jah to bless yeah

No matter what you claim, I will still excel

Everywhere I go, everything I do

Nobody will be, a crime to me

Celebrity is the label, call me an eagle

I am a nigga throwing, my fingers up and down

To frustrate the waiders, coz leo niko up all the way
from down yeah

Leo niko up all the way from down yeah

Chorus

Leo niko upside, leo niko upside
Nimechoka na underground
Nipe nafasi, nipe nafasi
Usiwe na wasi au kasi x2
