I held your little hand in mine
Though I could not feel a beat
So your mama and I said our good byes
Still I am not complete

Cause all my dreams
I dream for you
All my hopes
Are hoped in you
What I would not give
For one more moment
Just to hold you
And say
I love you
My daisy girl

This is not the way, I had it planned
And I know I'm not in control
But eight years later, I'm still screaming
Why did you have to go

Cause all my dreams
I dream for you
All my hopes
Are hoped in you
What I would not give
For one more moment
Just to hold you
And say
I love you
My daisy girl

What I would not give
For one more moment
One more chance
One more day
Just to hold you

One more moment
One more chance
One more day just to hold you and say

I love you
My daisy girl

My daisy girl
