Long long New York... to Chicago
Step up move your feet
Long long New York... to Chicago
Step up move your feet
Listen to my melody
Long long New York... to Chicago
Step up move your feet
Listen

I never fall in love
I never cry for you
I never feel everything in your arm again
I never call you
I never need you
You will never see me
Don't try to stop me
Baby my heart will never belong to you
Set my mind free
I follow my dream

Long long New York... to Chicago
Step up move your feet
Long long New York... to Chicago
Step up move your feet
Listen to my melody
Long long New York... to Chicago
Step up move your feet
