I can't breathe  
Chains tight on me  
I'm almost free  
Yeah, I almost believe it  
Can't learn to fly  
Or even go outside  
But the best I can do is try  
We wait for rain  
Or for the tides to change  
Like we're stuck  
(Stuck) sleeping standing up  
Caked with rust  
They'll steal what's yours  
Sell it back to you  
They're always telling you  
What you can't do  
Pull it up from yer guts  
Up from the mud  
Dawn to dusk  
We must learn to let go of what hurts  
Or inside it burns and burns I always can feel it
