My eyes are so gleary
I guess I'm young
But I feel so weary
I've tried to express it
But I think
It's all a bore
It's at the heart of me
A very part of me

Speak slowly
I can't hear you
My mind keeps
Spinning closer
And closer
To the rain on the roof
And the rain in my head
And the things that you said
People take it further ahead
And it just gets so foggy
It's nowhere in here
And it's everywhere else
That I don't wanna be
But I'm stuck here
Getting misty over you
I'm alone
On a bicycle for two

Speak slowly
I can't hear you
My mind keeps
Spinning closer
And closer
To the rain on the roof
And the rain in my head
And the things that you said
People take it further ahead
And it just gets so foggy
It's nowhere in here
And it's everywhere else
That I don't wanna be
But I'm stuck here
Getting misty over you

I'm alone
On a bicycle for two
