I thought
I saw your face today
But I just
Turned my face away
Your face
Against the trees
But I just see
The memories
As they come
As they come
And I couldn't help
But fall in love again
No I couldn't help
But fall in love again

I saw it glitter
As I grew
And loved it
Boy, I never knew
I thought this place
Was heaven sent
But now
It's just a monument
In my mind
In my mind
And I couldn't help
But fall in love again
No I couldn't help
But fall in love again

The cars and freeways
That pull me to stay away
Out of this place
My mother said
Just keep your head
And play it as it plays

The cars and freeways
That pull me
To stay away
Out of this place
My mother said

Just keep your head
And play it as it plays

I somehow see
What's beautiful in things
That are ephemeral
I'm my only friend, am I?
Love is just
A piece of time
In your world
In the world

And I couldn't help
But fall in love again
No I couldn't help
But fall in love again
No I couldn't help
But fall in love again
No I couldn't help
But fall in love again
No I couldn't help
But fall in love again
